

Manchester gave deep offense to  
t  
the well-syndicated spokesman  
for the Oswald attitude of the  
lunatic right, Henry J. Taylor.

Taylor had earlier staked  
out his Oswald territory: it  
was all a big Communist thing.  
Untroubled by evidence, logic  
fact or reality Taylor wants  
the assassination to have been  
a real Communist plot, with only  
Moscow's gold missing.

So, to him the first ser-  
ialization was a "fabricated  
Literary <sup>C</sup>hicken". What do es  
a  
such creatures do? For Taylor,  
it "will  
at least, ~~the~~ "come home to  
roost", on each of the Kennedys  
simultaneously. (Quote him)
